

Organizational Assessments

Why Choose MRG?

From assessing team dynamics to high-efficiency optimizations, MRG has your back. Our consultants are experts in practical, hands-on assessments and analysis that get to the root of organizational issues.

Our goal is to identify realistic alternatives and creative solutions to the most critical and persistent problems facing your organization.

Strategic Evaluations for Municipal Organizations

Organizational Assessments

Assessing alignment between structure and strategic goals.

Succession Planning

Aligning succession strategies with long-term visioning and goals.

Cultural Assessments

Identifying cultural barriers to performance and change.

Public Sector Expertise

Our consultants have deep knowledge of public sector policies and procedures.

Roadmapping

We offer a vision for the future with clear and actionable next steps.

Gone are the days of enormous binders no one reads, collecting dust on the shelf.

MRG's team of expert consultants provide support on a full spectrum of municipal issues, including:

- Organizational Structure Assessments
- Employee Engagement & Analysis
- Culture Assessments
- Organizational Effectiveness Studies
