

Workplace Investigations

Why Choose MRG?

For over 15 years, the MRG Investigations Team has been the trusted investigations partner for many of California's public agencies.

Our investigators leverage decades of public sector experience to conduct confidential investigations and dispute resolution.

Our Approach

Public Sector Expertise

MRG's investigators boast expert-level understanding of public agencies.

Proven Processes

We mitigate risk by following best practices and protocols.

Prompt and Timely Reports

We provide a final report within 30 days of final interview or evidence.

Post-Investigation Resources

We offer dispute resolution, coaching, and training to get your agency back on track.

Our Ethos

The MRG Investigations Team adheres to the Guiding Principles of the Association of Workplace Investigators.

Our private investigators, attorney investigators and Qualified Managers conduct impartial, objective, strategic, and well-documented investigations.

Our Certifications

- Title V
- Title IX
